

## **MSV-A**

### **Stereo Audio Jacks**

The MSV-A provides a pair of female RCA jacks on a decora style panel for handling a stereo audio input or output. The backside connection is also female RCA connectors. The MSV-A is an easy solution for placing a stereo audio connection into the wall. The module mounts into a standard electrical box (*not provided*), and is finished off with a matching decora coverplate (*see HPS1*).

The MSV-A module is available in brown, ivory or white.
