

MSV-CV

Composite Video Jacks

The MSV-CV provides a trio of female RCA jacks on a decora style panel for handling composite video hook-ups. The backside connection is also female RCA connectors. The MSV-CV is an easy solution for placing a composite video connection into the wall. The module mounts into a standard electrical box (*not provided*), and is finished off with a matching decora coverplate (*see HPS1*).

The MSV-CV module is available in brown, ivory or white.
