

RC10L-5

REMOTE CONTROL

The RC10L-5 is a remote control designed to work with either Ivie and BSS Audio Digital Signal Processors or automixers. It provides volume controls for four channels, with a master volume control.

The RC10L-5 has a 10' cable terminated into an 8-pin male DIN connector. The mating 8-pin female DIN connector is provided mounted on a single gang stainless steel wallplate.
