

## Specialty Panels

Emtech manufactures several specialty panels for the Church of Jesus Christ of Latter-Day Saints. These are all panels that were used exclusively in older chapel installations or in current remodeling of their chapels.

### SPC Series- Pedestal Controls

The SPC Series consists of the SPC3, SPC4, SPC5X7, and SPC5X12. The SPC3 provides sound system control with a lighted pushbutton switch for system on/off, a paddle switch for rising and lowering the pulpit, and a volume control pot. The SPC4 provides the same controls as the SPC3 with the addition of a switched volume control pot for satellite audio. The SPC5X7 is a 5" X 7" anodized blank that can be used, if needed, in the installation of either a SPC3 or SPC4. The SPC5X12 is a 5" X 12" anodized blank for use in installing the SPC3 or SPC4. When ordering you will need to specify whether the SPC3 or SPC4 are for an IRP or Ivie Mixer.

### 170 Blank

The 170 Blank is a 13.5" X 13.5" blank wallplate used to cover the hole left by a 170 In-Wall Amplifier when it is removed from a chapel. The wallplate is made of 16ga. steel painted off-white.

## **Specifications:**

All of these specialty panels are built and manufactured according to the specification requirements of the Audio Engineering Department of the Church of Jesus Christ of Latter-day Saints.

## **Warranty:**

Emtech Electronics, Inc. warrants each SPC3 and SPC4 panel for the period of one year, from the original date of purchase, against defects in parts and workmanship. All other specialty panels are warranted for a period of 90 days, from the original date of purchase, against defects in parts and workmanship. If a defect occurs, the panel or panels will be repaired or replaced, at our option, free of all charges if delivered prepaid to the factory. Warranty does not extend to finish, appearance, abuse or defects due to misuse or operation under other than specified conditions, nor does it extend to incidental or consequential damages. Repair by anyone other than Emtech will void the warranty.
